## DEDICATION

This year the faculty and students of Kentucky State College present in dedication this annual to Dr. Rufus Ballard Atwood, the sixth president of the college, with continuous guidance under his leadership since his inauguration on the first day of July, 1929.

He has served under seven governors of the Commonwealth and six superintendents. He has developed this institution from a normal college to a four year class "A" college fully accredited by the Southern Association of Colleges and Secondary Schools of the Kentucky State Department of Education, the National Council of Accreditation for Teacher Education and the American Association of Colleges for Teacher Education. He has expanded a physical plant and has plans for continued expansion for years to come.

This institution has established its reputation nationally and has attracted students from nearly every state in the union and several foreign countries. Today the institution has a coordinated evening program with the University of Kentucky for this area.

President Atwood has assisted in guiding the successful movement which opens to Negroes the graduate and professional schools of the University of Kentucky and the University of Louisville as well as other institutions in the state. He has served as an advisor to governors, legislators and many other officials in the Commonwealth. We hope that he will continue to serve humanity for the rest of his life.

# ADMINISTRATION

PRESIDENT AND MRS. R. B. ATWOOD

OCTOBER, 1958, NEW YORK CITY  
HOME FROM EUROPE

BEHIND EVERY SUCCESSFUL MAN THERE IS A WOMAN. Through the years of KSC's growth and development, of its trials and triumphs, Mrs. Mabel C. Atwood has toiled with courage, conviction, and devotion alongside her husband. The success story of Kentucky State and of its President is, in a personal and unique sense, a tribute to this distinguished lady. President and Mrs. Atwood are shown above after they landed in New York at the close of their well-earned vacation in Europe.

## CONGRATULATIONS TO THE SENIORS

Now that your College Career is behind you, you look to the future wondering what may be awaiting in the years to come. I can assure you, that whatever real success you achieve will be based upon service, the fulfillment of duty to God, and the fulfillment of such duties to your neighbor. Adherence to truth, courage in the time of difficulty, faithfulness to ideals, will be required and sometimes demanded of you. Remember, much will be expected of you because you are Alumni of Kentucky State College. Strive with a nanyielding desire in whatever field or task you undertake. Look forward to success; even though you may never have it, you can always say you tried, and from the imprints made by you on the society, they too will know you tried. Yes, great opportunity as well as great responsibility lies ahead of you.

Wisdom without religion will not stand. May God be with you in all your undertakings.

The Editor

Omega Psi Phi Fraternity was founded on November 17, 1911, by Brothers Edgar A. Love, Oscar J. Cooper, Frank Coleman, and Ernest E. Just, now deceased. These four men, in the early part of the twentieth century, seized upon the cultural heritage of the human race and especially upon the heritage of their forefathers, and at their Alma Mater, Howard University, Washington, D. C., established the national Greek-letter fraternity, the Omega Psi Phi. In their founding the first national Greek-letter fraternity to be organized at a Negro institution of higher learning, the Omega Psi Phi Fraternity pioneered and blazed the way for other fraternities that have followed.

The four cardinal principles upon which Omega Psi Phi is founded are Manhood, Scholarship, Perserverance, and Uplift. The purpose is Racial Uplift Through Cultural Achievement and Inspiration.
